Identity Statement:

Title: Hanover/Deats Papers
Extent of the unit of description: 2 boxes; 1 linear foot

Scope & Content / Abstract:

This collection is a group of unrelated items that was donated to the Hunterdon County Hunterdon Society by D. Hanover. The records donated are clearly material that was collected by Hiram E. Deats, and that the donor somehow obtained the material in the disposition of the Deats estate or perhaps earlier from Mr. Deats himself. A number of items are personal records and many more are items of county or state history, some bearing Deat's name or the stamp of the Hunterdon County Historical Society. The collection is important because it repatriates documents to the Historical Society and provides documentary evidence concerning several county residents and organizations, including Mr. Deats.

The collection is arranged in 5 series. Series 1 consists of various personal records of Hiram E. Deats. Series 2 consists of items relating to Hunterdon County. Series 3 consists of printed programs relating to Hunterdon. Series 4 is miscellaneous items. Series 5 consists of items of New Jersey historical interest.

Copyright and Conditions governing reproduction: Statement on Copyright and Fair Use

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

Publication and Use

Please note that all reference reproductions are for personal/study use only. The possession of a reproduction of HCHS collection materials and the payment of associated reproduction service fees, does not constitute or imply permission to publish or exhibit. It is necessary for researchers to obtain separate, written permission for the publication or exhibition of all material held in the HCHS collections. All licenses are for one use only and each additional instance of use must be separately requested in writing. Usage rights fees, above and beyond reproduction costs, may apply and vary depending on whether a reproduction is for an individual, non-profit, or commercial institution and how it will be used (personal research, publication, exhibition, etc.).
