Title: Race Family Photographic Album Extent of the unit of description: 1 box; .5 linear feet

Scope & Content / Abstract:

This collection consists of the photographic contents of a family photograph album. Most of the images appear to be from the Race and allied families of Hunterdon County, N.J., and most of the images appear to be from ca. 1860 - 1918. Aside from the Race family (Paul, Henry, Henry Race Jr., Ida, Effie, Mary Ellen, Anna), the most common surname in the photographs appears to be the Woodruffs (Araminta, Frank, Ann, Lulu, Emma) and other families (Huber, McClellan, Fitts, etc.). This collection would of course interest anyone researching the genealogy of the Race and allied families of Hunterdon County.

Context:

Administrative / Biographical history: This photographic album was originally donated to the Historical Society as part of the Emley-Race Collection, Manuscript Collection 26. Dr. Henry Race, a founding member of the Historical Society, was the donor of the collection. The original collection was arranged and described in the 1980's by Reverend George Kreutler, the Society's Manuscript Curator. The album was assigned a photograph number and added to the photograph collection.

A closer inspection of the album revealed a collection of photographs that were in fine condition and had a good degree of identification. Therefore, the album was disbound and the photographs individually cataloged as a separate collection. The actual creator of the album is unknown, but the inclusion of a cartoon drawing of Mrs. A.S. W. Race as an older woman working on a photographic document is a strong indicator that she may have been the creator. The date of creation of the album is also unknown. Most of the photographs are clearly from the era of 1860-1900; but there are a few additions toward the end from 1918. It is possible these were added later after the bulk of the album had been created; there were some empty pages in the rear of the album.

Copyright and Conditions governing reproduction: Statement on Copyright and Fair Use

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

Publication and Use

Please note that all reference reproductions are for personal/study use only. The possession of a reproduction of HCHS collection materials and the payment of associated reproduction service fees, does not constitute or imply permission to publish or exhibit. It is necessary for researchers to obtain separate, written permission for the publication or exhibition of all material held in the HCHS collections. All licenses are for one use only and each additional instance of use must be separately requested in writing. Usage rights fees, above and beyond reproduction costs, may apply and vary depending on whether a reproduction is for an individual, non-profit, or commercial institution and how it will be used (personal research, publication, exhibition, etc.). All reproductions must credit the Hunterdon County Historical Society as the source of the image or document.
