Title: Case Family Photographs, ca. 1900-1998
 Extent of the unit of description: 3 boxes; 1.25 linear ft.

Scope & Content / Abstract:

This collection consists of photographs of certain portions of the Case family from Hunterdon County, NJ. The images are mostly from 1900 to 1960s. They depict members of the family in terms of children's portraits, parents, and family groups.

The images in this collection center mostly on family groups. Prominently featured are Daniel Case, Leslie and Sadie Case, and their children Fred and Aliston; Willette, Barb, and Rectford, Jr. (the children of Rectford Case); Fred and Nellie Case and their son Pierson Case; and Margaret and Preston Case and their daughters Joyce and Doris. In addition, there are other images of unidentified individuals who may be Case relations or are images of people already pictured at significantly different ages. There are also some images of non-family members important to the family.

This collection is an important resource for those descendants of the Case family doing genealogical research.

Copyright and Conditions governing reproduction: Statement on Copyright and Fair Use

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

Publication and Use

Please note that all reference reproductions are for personal/study use only. The possession of a reproduction of HCHS collection materials and the payment of associated reproduction service fees, does not constitute or imply permission to publish or exhibit. It is necessary for researchers to obtain separate, written permission for the publication or exhibition of all material held in the HCHS collections. All licenses are for one use only and each additional instance of use must be separately requested in writing. Usage rights fees, above and beyond reproduction costs, may apply and vary depending on whether a reproduction is for an individual, non-profit, or commercial institution and how it will be used (personal research, publication, exhibition, etc.). All reproductions must credit the Hunterdon County Historical Society as the source of the image or document.
