<b>Title</b>	Schultzel Physicians Collection	<b>Year Range</b>	1850-1950

**Location** Archives Building: A: 2

**Description** The majority of this collection is comprised of an alphabetically arranged set of biographical notes on Hunterdon County Physicians, ca. 1850-1950. Each file may contain reference notes, index cards, photocopies of secondary source material, family records, news clippings, or other reference material. The collection is the culmination of a research project by Ronald Schultzel, former Manuscript Curator of the Hunterdon County Historical Society, to centralize research on Hunterdon County's Physicians.

In addition to the name files, the collection also includes index cards containing research notes, a binder of doctors organized by location, original manuscripts from the Hunterdon and Warren County Medical Societies, and Cassette Audio tapes of medical histories of Hunterdon and Warren Counties.
