Title	Willis Vail Glass Plate Negatives	Year Range	1891-1922

Location A10.4

Description This is a collection of 117 glass plate negatives taken by Willis W. Vail of Quakertown NJ. The collection includes photographs of New Jersey sites, including many railroad sites, as well as photographs taken on Vail's travels to Florida, Georgia, Pennsylvania, West Virginia, and Virginia. Most negatives include details that have been transcribed in the container list. The collection also includes commentary from 2009 by local Quakertown historians Dan and Marty Campanelli on 23 of the images.

This collection would be of value to those interested in New Jersey at the turn of the 20th century, and those interested in the use of glass plate photography.
