Title	Schultzel Photograph Collection	Year Range	1900-1984

Location Archives Building: A: 17

Description The Schultzel Photograph Collection contains various images from Hunterdon County and the surrounding areas, in media form of photographs, photographed postcards, negatives, and some paper material such as handwritten notes and newspaper clippings. This collection would be of interest to anyone looking for visual references of the Hunterdon NJ geographical area.

Container One contains negatives and photographic images of geographical locations starting with Asbury and ending with Glen Gardner, organized in alphabetical order.

Container Two contains negatives and images of Hampton and High Bridge. High Bridge makes up the vast majority of the container, comprising 20 of the 21 listed folders.

Container Three contains negatives and photographic images of geographical locations starting with Kennedysville and ending with Upper Black Eddy, organized in alphabetical order.

Container Four contains negatives and photographic images of Union Forge and Forge Masters House, Washington Township and West Portal Wreck.

Container Five contains negatives and photographic images of locations and people not organized by specific township. The majority of the container is dedicated to negatives; however it also includes some photographic images and paper notes of various subjects.

Folder OV1 kept outside of the container list holds an original Right of Way and Track Map for Bethlehem Township from 1918.
