Title	Dorothy Stratford Papers, 1890 - ca.1980	Year Range	1890-1980
Location	Doric House: Vault 1		
Description	This collection includes an unassociated group of materials donated to the Society through the Estate of Dorothy Agans Stratford, of Bound Brook, NJ.		

The collections include materials that relate to Hunterdon County subjects. The first part of the collection is a series of correspondence between Hiram E. Deats, the noted Hunterdon County genealogist, and Russell B. Rankin, the longtime officer and editor for the New Jersey Genealogical Society from 1940-1943.

There are also a limited number of documents and photographs of the Andrew Agens family of Califon and later West Portal.

There is also an annotated copy of "Tombstone Inscriptions, Readington Township, Hunterdon County." Finally, there are two photographs of the Bloom family (Ella Bloom and Grandfather Bloom) and a photograph of Stacy Race.

While not related, these materials should still prove interesting to local historians, particularly anyone descended from or researching the Bloom, Race, or Agens family.
