Old No		Date	1971
Title	Building the Spruce Run Dam	Year Range	0
Location	Archives Building: A: 24		
Description	1 Box of color slides and manuscript commentary concerning the building of the Spruce Run Dam, 1971. The set of 80 slides begins with scenes of the area before construction. Then scenes and diagrams show the essentials of good earth dam construction of the core, valve chamber, control tower, large discharge conduits, over-flow, and spillway. Stilling basin and weir are all shown in detail. The slides are accompanied by a booklet describing each slide.		

Identity Statement & Context

Name of Creator	Barber, John	Reference Code	NJFLHI5380
Other Creators			
Creator Added Entry			
Dates of Creation	1971	Administrative Biographical History	This collection is a color slide story of the building of the Spruce Run Dam. It begins with telling about the importance of water conservation. It then shows scenes of the area before construction; then scenes and diagrams show the essentials of good earth dam construction of the core, valve chamber, control tower, large discharge conduits, over-flow, and spillway. Stilling basin and weir are all shown in detail with an explanation of the function of each. The story closes with a reminder of the importance of the project and a plea for preserving its cleanliness. The slides are accompanied by a booklet describing each slide.

Statement on Copyright and Fair Use
The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be “used for any purpose other than private study, scholarship, or research.” If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of “fair use,” that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law. Publication and Use Please note that all reference reproductions are for personal/study use only. The possession of a reproduction of HCHS collection

materials and the payment of associated reproduction service fees, does not constitute or imply permission to publish or exhibit. It is necessary for researchers to obtain separate, written permission for the publication or exhibition of all material held in the HCHS collections. All licenses are for one use only and each additional instance of use must be separately requested in writing. Usage rights fees, above and beyond reproduction costs, may apply and vary depending on whether a reproduction is for an individual, non-profit, or commercial institution and how it will be used (personal research, publication, exhibition, etc.). All reproductions must credit the Hunterdon County Historical Society as the source of the image or document.
